

## **DEPARTMENT OF CONSERVATIVE DENTISTRY & ENDODONTICS**

The Department of Conservative Dentistry and Endodontics came in to existence in the year 1999, with the commencement of the BDS course .After obtaining recognition for the BDS course in 2005, the MDS course commenced in 2006, initially with 3 seats. At present, theDepartment has five recognized MDS seats and PhD course since 2012. The department has qualified, experienced and skilled faculties to guide the students, both undergraduates as well as postgraduates towards providing treatment of thehighest quality, as well as carry out high impact research and subsequent publication. The Department has enviable infrastructure, being equipped with the most updated and sophisticated instruments to offer the best possible treatment to the patient. An advanced skill development program on microdentistry is incorporated in the post graduate curriculum.
