

FACULTY ONGOING RESEARCH PROJECTS

| Sr. No. | Principal Investigator And Dept | Co-Investigator | Title | Details | SV IEC APPROVAL DATE AND NO |
|---------|---|-----------------|---|---------|--|
| 1. | Dr. Santosh Kumar Goje (Dept of Orthodontics) | - | Assessment and comparison of knowledge and use of evidence based dentistry amongst interns of KMSDCH | Ongoing | SVIEC-RP-1511 19 TH SEPT 2014 |
| 2. | Dr. Narayan Kulkarni (Dept of Orthodontics) | - | A comparative study of sagittal dental relationships using bite marks | Ongoing | SVIEC-RP-1249 26 th April 2012 |
| 3. | Dr. Jasuma Rai (Dept of Periodontology) | Dr. Sneha Shah | Minimal invasive surgery in periodontal regeneration, a clinical and post surgical outcome - a randomised control study. | Ongoing | 21 Sept 2012 SVIEC/ON/DENT/RP/1268 |
| 4. | Dr. Jasuma Rai (Dept of Periodontology) | Dr. Thanveer K. | Periodontal Status of Adolescent school children in vadodara- An epidemiological study | Ongoing | 11/03/2014 SVIEC/UN/425/DENT/RP/1492 |
| 5. | Dr. Jasuma Rai (Dept of Periodontology) | Dr. Thanveer K. | Relationship between labial cervical radicular groove and periodontal status among adolescent school children in vadodara | Ongoing | 11/03/2014 SVIEC/UN/425/DENT/RP/1491 |
| 6. | Dr. Jasuma Rai (Dept of Periodontology) | Dr. Thanveer K. | Antimicrobial effect of four commercial toothpastes on oral pathogens - in Vitro study | Ongoing | 7th July, 2014 SVIEC/ON/DENT/RP/1502 |
| 7. | Dr. Ekta Shah (Dept of Periodontology) | Dr. Deepak Dave | To asses the quality and completeness of the treatment protocol for socket preservation. | Ongoing | 4th December, 2014 SVIEC/ON/DENT/RP/14477 |
| 8. | Dr. Monali Shah (Dept of Periodontology) | | Effectiveness of evidence based journal club during graduate studies in dentistry | Ongoing | 4th December, 2014 SVIEC/ON/DENT/RP/1522 |

| | | | | | |
|-----|---|--|--|---------|---|
| 9. | Dr. Neeraj Deshpande (Dept of Periodontology) | | Evaluation of literatur search strategy amongst dental faculty of K. M. Shah Dental College - A Questionnaire based | Ongoing | 28th May 2015,SVIEC/ON/DENT/RP/15028 |
| 10. | Dr. Rakesh Shah (Department of Oral and Maxillofacial Implantology) | None | Comparison and evaluation of versatility of immediate versus delayed implant placement along with direct sinus lift procedures in posterior edentulous maxilla with less than 3 mm of bone – A prospective study | Ongoing | Synopsis Submitted |
| 11. | Dr. Rashmi Venkatesh (Dept. of OMR) | Dr. Vaishnav V Dept of OMR, Dr. Poonacha K.S. Dept of Pedo, Dr. Ajitkrishna n C. G Dept. of PHD | KAP Study of pharmacovigilance in a dental teaching institute of Western India | Ongoing | SVIEC/ ON/ Dent/ RP/ 15026 dtd 17april 2015 |
| 12. | Dr. Chandramani More (Dept. of OMR) | Dr. Pranay Patel Dept of OMR | Analysis of Palatal rugae pattern in Indian and Nepalis population - A comparative study | Ongoing | SVIEC/ ON/ Dent/ RP/ 15025 dtd. 08 April 2015 |
| 13. | Dr. Chandramani More (Dept. of OMR) | Dr. Ruchita Peter, Naman Rao Dept of OMR | Sexual dimorphism using permanant maxillary and mandibular first molars: An Anthropometric study | Ongoing | SVIEC/ ON/ Dent/ RP/ 15024 dtd. 08 April 2015 |
| 14. | Dr. Chandramani More (Dept. of OMR) | Dr. Ruchita Peter Dept of OMR | Ultrasonographic evaluation of fibrous bands in oral submucous fibrosis - A cross sectional study | Ongoing | SVIEC/ON/Dent/RP/15008 dtd. 22 January 2015 |

| | | | | | |
|-----|--|--|--|---------|--|
| 15. | Dr. Rashmi Venkatesh (Dept. of OMR) | Dr. Monali Shah Dr. Seema Bhargle Dept of OMR | Continuous cumulative evaluation system implementation: preception and attitude of students and teaching faculty | Ongoing | SVIEC/ON/Dent/RP/1521 dtd. 04 December 2014 |
| 16. | Dr. Usha Sharma (Department of Oral Pathology) | Dr. Vandana Shah | Evaluation and comparison of Immunoexpression of EGFR, p27 and HMLH in Oral Potentially malignant disorders and oral Squamous cell carcinoma. | Ongoing | SVIEC/ON/DENT/PHD/15003 |
| 17. | Dr. Rashmi Bhavasar (Department of Oral Pathology) | Dr. Vandana Shah | Evaluation of salivary parameters in psychoactive substance abusers. | Ongoing | SVIEC/ON/DENT/PHD/15002 |
| 18. | Dr. Kapil Dagrus (Department of Oral Pathology) | Interdepartmental (Pedodontics with Dr. Seema Bargale & Dr. Prateek Karia) | To compare the remineralizing efficacy of different dentifrices. A in vitro study. | Ongoing | SVRC/ON/2015/15/19 |
| 19. | Dr. Prachur Malhotra (Department of Oral Surgery) | None | A prospective randomized comparative clinical study for evaluation of efficacy of fat grafting in facial scar | Ongoing | Synopsis Submitted |
| 20. | Dr. Anshula Deshpande (Department of Paedodontics) | Dr. Urvashi Sudani | The effect of dental Rehabilitation on anthropometric measurements, haemoglobin level and salivary parameters amongst S-ECC children: A longitudinal study | Ongoing | 15188 3/4/2015 |
| 21. | Dr. Pratik Kariya (Department of Paedodontics) | Dr. Kapil Dagraus and Dr. Seema Bargale | To compare the remineralizing efficacy of different dentifrices : A in vitro study | Ongoing | 15159 3/4/2015 |
| 22. | Dr. Thanveer (Department of Public Health Dentistry) | Nil | TOBACCO USE AMONG ADOLESCENT SCHOOL CHILDREN IN VADODARA.- A CROSS SECTIONAL QUESTIONNAIRE SURVEY. | Ongoing | SVIEC/ON/Dent/RP/1516 |

| | | | | | |
|-----|--|-----------------------|--|---------|-----------------------|
| 23. | Dr. Thanveer (Department of Public Health Dentistry) | Dr. Priya (II MDS) | Comparative Effectiveness of Structured Tobacco Cessation Intervention Program and Chairside Motivational Instructions on success in Tobacco Quitting- Research Challenging Protocol | Ongoing | SVIEC/ON/Dent/RP/1517 |
| 24. | Dr. Ramya R (Department of Public Health Dentistry) | Nil | Comparison of treatment time and comfort level perceived by patients receiving ART and single surface silver amalgam restorative procedures in a community outreach program. | Ongoing | SVIEC/ON/DENT/RP/1525 |
| 25. | Dr. Hemal (Department of Public Health Dentistry) | Nil | PREVALENCE OF DENTAL FLUOROSIS AMONG 12 YEAR OLD SCHOOL GOING CHILDREN OF PIPARIA VILLAGE, VADODARA- A CROSS-SECTIONAL SURVEY | Ongoing | SVIEC/ON/DENT/RP/1514 |
| 26. | Dr. Pulkit (Department of Public Health Dentistry) | Nil | To assess the effectiveness of various health education methods on school oral health education, oral health knowledge and plaque status of high school children in piparia, Vadodara. | Ongoing | SVIEC/ON/DENT/RP/1515 |
