STATE LEVEL WORKSHOP
ON
CARING FOR MOTHERS & THEIR NEWBORNS – MIDWIVES’ ROLE
(In Association with Society of Midwives India)
15th June, 2017
Report of State Level Workshop in association with SOMI

Date : - 15th June, 2017
Organizers : - Department of Medical Surgical Nursing & Obstetrical & Gynecological Nursing, Sumandeep Nursing College
Venue : - SBKSMIRC Auditorium, SV Campus, Piparia, Waghodia, Vadodara

Beneficiaries :- Clinical Staff nurses, PG & UG nursing teachers & PG & UG nursing students. 80 participants + 6 Resource persons.

Objectives:-

- To reduce IMR & MMR by providing enhanced knowledge related to active management of third stage labour
- To orient participants about recent trends in midwife and newborn care.
- To provide on hands practice for neonatal resuscitation & AMTSL with the help of simulation.

Activities performed:-

1. Orientation to SOMI
2. Theory lectures
3. Skill stations - on hand practices

Significance/need of the program:-

Sumandeep Nursing College in association with SOMI, sponsored by Johnson & Johnson, had put efforts to conduct one day state level workshop on ‘caring for mothers & their newborns – Midwives’ role’. The main need of the program was to enhance knowledge and upgrade the practices of clinical skill nurses and PG students so that through active management of third stage labour and neonatal resuscitation, IMR and MMR can be controlled.

Programme schedule of the workshop
1. Inauguration of the Workshop:

This workshop was inaugurated by Dr. Ravindra HN, Organizing Chairperson & Principal, Sumandeep Nursing College, Mrs. Renuka H Patel, Secretary, SOMI, Gujarat Chapter, Mrs. Hiral Shah, Resource Person & Principal, GCON, Dharpur, Mrs. Maheshwari Patel, NPM, Bodeli CHC, Mrs. Sheela Vyas, SOMI Member and Mr. Vijay Reddi Vandali, Nursing Superintendent, Dhiraj General Hospital.

2. SESSION I: Mr. Vijay Reddi Vandali, Nursing Superintendent, DGH
Historical analysis of maternal and newborn care – Midwives and Nurses contributions & role

This session was taken by Mr. Vijay Raddi Vandali, NS, DGH. He threw some light on historical analysis of maternal and new born care and showed IMR & MMR of the country. He also gave the background and need of the skill required to reduce the mortality and morbidity levels.

3. SESSION II: Mrs. Hiral Shah, Principal, GCON, Dharpur

Recent trends in Maternal and Newborn care

This session was lead by Mrs. Hiral Shah, Principal, GCON, Dharpur. She discussed about some new trends in midwives and guided the participants about how to conduct the delivery using new techniques. Her topic and procedures depicted were evidence based which she elaborated in a way understandable by the participants.
4. SESSION III : Unheard voices – A ground reality

In this session, some of the participants were involved in the discussion where they talked about the problem faced by the midwife in conducting delivery and what could be the possible outcomes related to adoption of recent trends and techniques in conducting deliveries.

5. SESSION IV: Active management of third stage labour – Mrs. Anu Jose, Skilled Demonstrator, JHPIEGO
Active management of labour session was taken by Ms. Anu Jose, Skilled Demonstrator, JHPIEGO. She discussed about the techniques to be used for conducting delivery. She also emphasized on quality nursing care services to be provided by following the protocols developed by the national and international agencies regarding the conduction of delivery.

6. SKILL STATIONS :

- Active management of 3rd Stage labour by Mrs. Anu Jose, Skilled Demonstrator, JHPIEGO.
- Neonatal Resuscitation by Mr. Kevin Christian, Organizing Secretary & Assistant Professor, Sumandeepr Nursing College.
In this session, participants were divided into two groups. Each group participated in the two skill stations namely, AMTSL skill station & neonatal resuscitation skill station. The demonstrators taught about how to perform the specific skill regarding the topic. Moreover, hands on practices were also performed among the participants to get the practice over the simulators.

7. Experience of NPM – By Mrs. Maheshwari Patel

In this session, Mrs. Maheshwari Patel shared her experience as Nurse Practitioner Midwife and what are the challenges faced by her. She also discussed about how she manages her clinic and possible opportunities to learn and sharpen her skill to perform successful deliveries in her area.

8. Introduction of SOMI – By Mrs. Renuka H Patel, Secretary, SOMI, Gujarat Chapter

Mrs. Renuka H Patel, Secretary, SOMI, Gujarat Chapter took the opportunity and motivated all the participants to become a member of SOMI (Society of Midwives India). She showed policies, functions, responsibilities and management of the society. She also informed about the membership details and motivated for the same.
9. Valedictory session

This session was managed by Mr. Kevin Christian, Organizing chairperson & Assistant Professor, Sumandeep Nursing College. He gave vote of thanks to the dignitaries, resource persons, participants and sponsorer of the workshop. Certificates were distributed to the participants through dignitaries and resource persons. The workshop programme ended at 1700 hrs. Feedback form, pre test form & post test form were collected from the participants.

Conclusion: -

The total number of beneficiaries was 80. The resource persons utilized for the programme were 6. The workshop contained several theory lectures followed by hands on practice by simulation. Feedback form was collected from the participants where most of the participants enjoyed the workshop by rating the programme as excellent. They further informed that several other workshops are required for betterment of the nursing staff and to upgrade the profession thereby attempting to reduce the IMR and MMR of the state and the country.
Pre-test Post test Analysis:

The above figure depicts that average pre test knowledge score of the participants was 53.3% whereas average post test knowledge score was 80% which shows marked effectiveness of the workshop.

For practice score, post test only was done where all the participants took part in the demonstration of neonatal resuscitation and AMTSL procedure. Checklist was used to assess the practice score which was 86%. Thus, the skill stations used in the workshop were effective in providing on hand practice via simulation.
