Career Counselling (scope after BPT)

There was a talk on career counselling (scope after BPT) arranged by CCEF, COP, SV for the interns of 2016-17, near the completion of their internship to help them in their future prospects. The objective was to make them aware about different opportunities available after completion of BPT. It was organized on **3rd February 2017 at 2 pm at COP, SV Auditorium** and total **85 interns** attended the same.

Professor G.P. Kumar, Intern In-charge, COP, SV who has vast experience in the field delivered the talk. In brief, he discussed various career options available for physiotherapy undergraduate. He gave helpful tips like;

- Practising for some time before enrolling in post graduate programs
- Developing soft skills required for becoming good clinician
- How to decide for the field of practise etc.

The session was inspiring for all the interns and they all discussed the queries they had which were satisfied by the speaker.

Intern Farewell

The farewell program of interns (2016-17), College of physiotherapy, Sumandeep Vidyapeeth was conducted on 3rd February 2017 between 10 am - 2 pm at Auditorium, COP, SV.

The function was organized by current final year BPT students under supervision of student coordinator, COP, SV. Honorable Chancellor, SV, Air (com) Dr G.D. Mehta sir, respected Principal, COP, SV, Professor Dr Lata Parmar madam, Intern I/C Professor G. P. Kumar, faculties of COP, SV, interns (2016-17) and final year BPT students attended the same. After warm welcome, the function commenced with prayer followed by inspiring words by Principal Madam who congratulated every intern and shared words of wisdom about how to succeed in professional life. Afterwards Honorable Chancellor, SV Air (Com) Dr G. D. Mehta sir came on dais and appreciated entire final year BPT students for organizing the farewell function and shared his experience with the audience. Following honorable Chancellor, SV's motivational speech, Intern I/C Professor G. P. Kumar presented outline of internship program which another way oriented final year BPT students about their future internship program. Next few of interns came on dais and shared their experience of past four and half years. All the interns received memento from Chancellor Sir, Principal Madam, internship I/C & faculties of COP, SV. The program was concluded with games and lunch arranged by final year BPT students.

Celebrating International Women's Day

On 8th March 2017, College of physiotherapy observed International Women's Day. This year the theme was 'BE BOLD FOR CHANGE'. Total 22 students participated in pairs. At 9:30am all participants were gathered in the College library to start making their posters, extempore till 12pm. From 12pm to 1pm, poster presentation was held in which all the undergraduate students and COP faculty visited the posters. Mrs. Geetanjali Purohit, Assistant Professor, Physiology, was invited as an external judge for the competition. The competition completed around 1:15pm. From the 1st year BPT, Aayushi Jariwala & Vidita Patel won the 1st prize.

First Prize Poster

World Health day

College of Physiotherapy, SV celebrated World Health day on 7th April 2017. Each year this day is celebrated on 7 April to mark the anniversary of the founding of the World Health Organization (WHO). WHO declares a specific theme to provide a unique opportunity to mobilize action around a specific health topic of concern to people all over the world. This year the declared theme was on “Depression” with a slogan of “Depression: Let’s talk”. Based on this theme, COP, SV organized an activity where 15 UG students talked about “Depression” followed by open forum for discussion on the same, between 10 am – 1 pm at Auditorium, COP, SV. 15 interested candidates from 1st, 2nd and 3rd year BPT were divided in 3 groups and each group was allotted a specific topic on which they discussed for about an hour. The allotted topics were:

Group 1: What is depression? What is taboo about depression?

Group 2: Causes of depression in different age groups.

Group 3: Consequences of depression and how to manage depression.

Following discussion each group prepared a small talk on their respective topic and presented impressively to 2nd year BPT (10am – 11 am); 3rd year BPT (11am -12 noon) and 1st year BPT (12 noon – 1 pm). Prof Dr Lata Parmar, Principal, COP, SV; Dr G. P. Kumar, U.G. Co-ordinator, Dr Kalpesh Satani, Assoc. Professor, and other faculties of COP, SV attended the presentations. Prof Dr Lata Parmar also talked to students regarding “Depression” and how physiotherapist can help the patients with disability to overcome the depression. She explained what is actual depression and how the term is misused instead of other feelings like sadness, frustration, disappointment etc. with appropriate examples. She emphasized on getting help

whenever one is in depression to avoid its further complications. Following presentation, there were open forums for discussion where students were invited to share their experiences. One of the student shared her experience that how she felt depressed at point of her life and how she overcame it through inspirational talks and focussing on her study. With this the program concluded at 1 pm.

Parents teachers meeting

April 2017 between 10 am – 1 pm at College of Physiotherapy, SV. All the parents were informed in advance through the notice circulated among their wards. The information was also circulated by respective class coordinators and informed consent was taken from students.

The purpose of the meeting was

1. To interact with parents on their ward's overall performance.
2. Take feedback from the parents.

Students along with the parents started coming to the College between 9 am -10 am where they were guided to the respective classrooms except final year students and their parents who were guided to Auditorium, COP, SV and made comfortably seated. At 10 am class coordinators presented a brief report on overall presentation of their class in respective classrooms which included, subjects students are learning in current year of study and their overall performances in internal exams taken till date. They also talked about the average attendance of entire class (96 % in 1st, 2nd, 3rd and final year BPT).

After the presentations, parents interacted with the class coordinators and mentors one-on-one and discussed their wards' performances. Some of the parents also interacted with the Principal, COP, SV. Feedback was taken from all the parents who attended that day and overall feedback from parents was good and they were satisfied with the functioning of the college. The parents-teacher meeting was ended with refreshments arranged for the parents in the foyer at the college at around 11.30 am. The students were released to proceed with their parents after their interaction with the class coordinator.

Once the parents-teacher meeting was over, **PARENTS TEACHER ASSOCIATION (PTA)** meeting was conducted in Physiotherapy Education Unit (PEU) room, COP, SV in which

Honourable Chancellor, SV, Air (Com) Dr G. D. Mehta sir was present. The meeting was held to introduce new members in association, discussing overall performances of students (curricular and extracurricular) and welcoming suggestions from parent members of PTA. All the parent members gave valuable suggestions such as arranging soft skill training for the students in which one of the member who is involved in such activities showed interest to volunteer etc. meeting concluded at 1 pm.
