1st year BPT orientation program – Batch 2014-15

The orientation program for the 1st year BPT was organized by COP, SV on the 4th of August 2014. The program started with the 1st year BPT students joining in for the prayer and university song along with the whole college.

After the prayer, the students were made to sit inside the classroom along with the parents. Total of 106 students reported for the orientation on the first day. The class coordinators Dr Neha and Dr Saraswati, distributed the declaration form, hand book of physiotherapy and the personal details form which was read, signed and submitted by the students the same day. At 11 am the student coordinator Dr Megha started the program by welcoming all. The Principal along with the teaching staff as well as HOD Anatomy, Dr Gandotra and coordinator for physiology Dr Mahavir Rajput were present.

There was an address by the Principal who cordially welcomed all the parents and students. She congratulated the students for having secured admissions to one of the finest universities amidst such tough competition. The UG coordinator, Dr Kumar spoke on rules and regulations of the college. He gave details of the eligibility for university exams and in case of failure the exam reforms regarding ATKT

The HOD of Anatomy department and coordinator for Physiology also gave a brief introduction to the subjects.

Class coordinator Dr Neha M. spoke on the activities that a 1st year BPT student carries out throughout the year. She started with the number of subjects i.e. 8 including Anatomy, Physiology, Biomedical Physics, Biochemistry, Exercise therapy-1, Psychology & Sociology, Evidence Based Practice, then went to talk about the logbooks that the student has to maintain as part of daily records. She also talked about Physio Zest which was an annual cultural and sports function. Also a brief introduction to the mentorship program was given and the students informed that the mentors list would be put up very shortly.

Next the EBES coordinator Dr Kalpesh introduced EBES to the audience and how it will be of immense help to the students in their practice as physiotherapists. He went on to add that Sumandeep Vidyapeeth is the only university to have introduced EBES in its curriculum.

The library incharge Dr Arpita spoke about rules and regulations for the central library and the departmental library. She informed the students that she would facilitate the procedure for library membership by collecting the library membership fees of Rs 100/- and get it submitted to the library on the students' behalf.

The student coordinator Dr Megha gave a brief summary of the activities organized for the students as part of their overall development during the academic year. The program thus concluded and the students and parents were informed about the schedule for the next day i.e. orientation program organized by the university.

MPT orientation – Batch 2014-15

On 4th august 2014, college of physiotherapy organized the orientation program for the post graduate students of batch 2014-15. The academic year for the batch 2014-15 started on 4th august. On the same day college of physiotherapy organized the orientation program.

Presently 4 students have taken admission and out of them 3 students attended the orientation program and the fourth student, Bindi Sorathia joined on a later date. Post graduate class coordinator Dr. Kalpesh Satani welcomed all and read out the MPT curriculum and explained the rules and regulation of the Program. Principal Prof. Lata Parmar, Prof. Palani Kumar and Dr. Niraj Karamchandani were also present during the program.

Name of the students who attended the orientation

Sr. No	Name of student
1	Pooja Raval
2	Maitry Shukla
3	Ruchi Sureja.

The session was started at 10.30 am and lasted till 11.15 am. After that students were taken to the Dhiraj hospital and given orientation about the physiotherapy OPD as well as all the wards of the hospital.

OTHER PG ACTIVITIES

College exams were held during the months of August and September for the first year PG students and the results were declared. For the students who were unable to clear the exams extra course works were given in the form of assignments and they were asked to repeat their clinical duties for the next 3 months and it was decided to conduct another exam at the end of three months.

2ND INTERNATIONAL EBES CONFERENCE

In Sumandeep Vidyapeeth 2nd international workshop on Evidence Based Education System was held on dated 19th June to 22nd June 2014. Resource persons were Dr. Gordon Guyatt, Dr. Stuart Logan, Dr. Gurinder Singh Wadhwa, Dr. Regina Kauz, Dr. Kameshwar Prasad, and Dr. R. V. Subramaniam.

From college of physiotherapy all the faculties and post graduate students were participated in that workshop on topics like Biostatistic, Evidence Based health Care, Grade, Systemic review and metaanalysis, Quality Evidence generation research and Medical writing – BMJ workshop. Workshop was very informative and useful for staff as well post graduate students.
