# UNIVERSITY SONG

हम सुमनदिप के ज्योतिर्धर है, ज्ञान दीपकी ज्योत जली है ।

नव सर्जन, नव विचार धारा, लेकर बहती लहर चली है...

हम सुमनदिप के ज्योतिर्धर है, ज्ञान दीपकी ज्योत जली है ।

मंत्र मीला है मानवताका, स्नेह सभर ममता का

सेवाव्रत संदेश मीला है, सबके प्रति करुणाका

ज्ञान मीला है शिक्षा पाई, सेवाकी एक लहर चली है,

हम सुमनदिप के ज्योतिर्धर है, ज्ञान दीपकी ज्योत जली है ।

कर्ज नहीं भूलेंगे इसका, जिसने विद्यादान दिया है,

शीश झुका कर वंदन इसको, जिसने गौरव का सन्मान दिया है,

सौरभ देखो विद्यापीठकी, गाँव गाँव बात चली है,

हम सुमनदिप के ज्योतिर्धर है, ज्ञान दीपकी ज्योत जली है ।

## “Internship Induction”

Intern Induction program was conducted on 21<sup>st</sup> September 2015 for the students who have successfully passed the University exams held in July 2015. The results for the final year exams were declared on 10<sup>th</sup> September 2015 and the Internship program was started within

15 days of declaration of results as stipulated by Physiotherapy Undergraduate curriculum of Sumandeep Vidyapeeth.

Information regarding the commencement of internship program was displayed in College notice board 12<sup>th</sup> September 2015 and the

information regarding commencement was sent to Registrar, SVU on 19<sup>th</sup> September 2015.

The induction program started at 9.30 am at PG class room. Principal, Prof Dr Lata D Shroff Parmar, Dr. G Palani Kumar, UG Coordinator and Intern In-charge, Dr Kalpesh Satani, PG Coordinator and Dr Neha Mukkamala, Clinical In-charge were present. Dr Kumar welcomed all and requested Principal to address the interns.

Principal Prof Dr Lata madam started her address asking interns what

internship means to them. She advised the interns that if a Health professional wants to be independent and to be a first contact practitioner then that Health professional should be able to diagnose. While making a diagnosis a Physiotherapist may use the same tools as other health professionals but the therapist uses the same tools in a different light and reaches to his

own conclusion in relation to Physiotherapy. She further told them the importance of Patient care and as soon to be full-fledged professionals it is important for them to understand this.

Dr Kalpesh Satani, PG Coordinator, welcomed all the interns and wished them the best of luck and advised them to take their internship seriously. Dr. Neha Mukkamala, Clinical In-charge, spoke to the interns about the discipline to be maintained in clinics and she will be strict with regards to proper patient care and discipline in the clinic.

Dr Kumar, Intern In-charge informed the interns about the rules and regulations governing Internship. He told that 3 interns are grouped in to one batch and each batch will have postings at 13 Units (OPD/IPDs) for two weeks each.

He informed that each intern is entitled for maximum 6 days leave during six months period of internship posting and an intern will not be permitted to avail more than 2 days leave in any department. Period of leave in excess of 2 days in a department will have to be repeated in the same department. The interns were informed that each intern batch will have to present a evidence based seminar on a topic that will be allotted. They were also informed that each batch will be allotted a guide and in discussion with their guides they can decide a particular condition on which they have to do small project as case series.

Interns were given a chance to ask their queries if any and the program got over by 11 am as no queries were raised by them. The interns were asked to proceed and report to their concerned postings.

College of Physiotherapy, Sumandeep Vidyapeeth observed **“International day of people with disability”** on 3<sup>rd</sup> December 2015 at porch of the college. This year, UN declared, “Inclusion matters: access and empowerment for people of all abilities” as a theme to celebrate International day of people with disability. Based on that, the collage organized few activities such as providing platform to disabled for performing and demonstrating their art work and a seminar on ‘Barrier free environment’. Also, the college proposed a survey to screen chronic disability in nearby villages. The guests on this occasion were Dean, SBKS & MIRC, Dr G.V. Shah, Professor Pharmacology Dr Sagun Desai, Mr Jayesh from Accounts Dept and children and members of Friend’s Society, a non profitable charitable organization from Vadodara.

Guests from friend’s society arrived at COP, SV at 10:45 am. The student council members of COP, SV were volunteers to provide assistance to special ones. Total 29 Special children with their parents and three volunteers from friends society, Mr Shailesh Shah, Ms Minaxi Adesara and Mr Chirag came for the event. They were escorted to program venue – Porch of COP, SV. The program commenced at 11 am on arrival of the Dean, SBKS & MIRC, Dr G.V. Shah, Professor Pharmacology Dr Sagun Desai and Mr Jayesh from Accounts Dept.

After felicitation of guests, Prof. Dr Lata Parmar, Principal, COP, SV once again welcomed all guests and spoke on this year’s theme. She explained important role and responsibility of physiotherapists towards community by helping differently abled to achieve maximum state of independence within their capacity.

Following this, the Dean, SBKS & MIRC, Dr G.V. Shah came on dais and appreciated work of physiotherapists and NGOs like Friend’s Society who help people with disability.

Next, Professor Pharmacology, Dr Sagun Desai, who is also one of the founding members of Friend’s Society and polio survivor came to the dais and express his gratitude towards the college for organising such an event on International day of people with disability. He talked about origin of Friend’s society which was started in 1969 by students of M.S. University. He described the motto of the organization “Self Development through Service” and added the organization was one of a kind as it is run by the students for the students. He also talked about various problems faced by individuals with disability in today’s time. He also appreciated work done by physiotherapist in helping special ones.

Once all dignitaries spoke, the platform was given to Friend’s society. Approx 30 students who are having physical &/or mental disability performed in front of dignitaries, guests, faculties and students of College of Physiotherapy, SV.

The special children and volunteers enthusiastically participated and showed their remarkable talent in singing and dancing. COP, SV appreciated their talent with certificates to each participant. Student coordinator, COP, SV has delivered the vote of thanks and asked everyone to visit electrotherapy lab where art work of special children were displayed. Everyone appreciated the crafts made by children. Some of the artworks were gifted to COP, SV by Friend's Society.

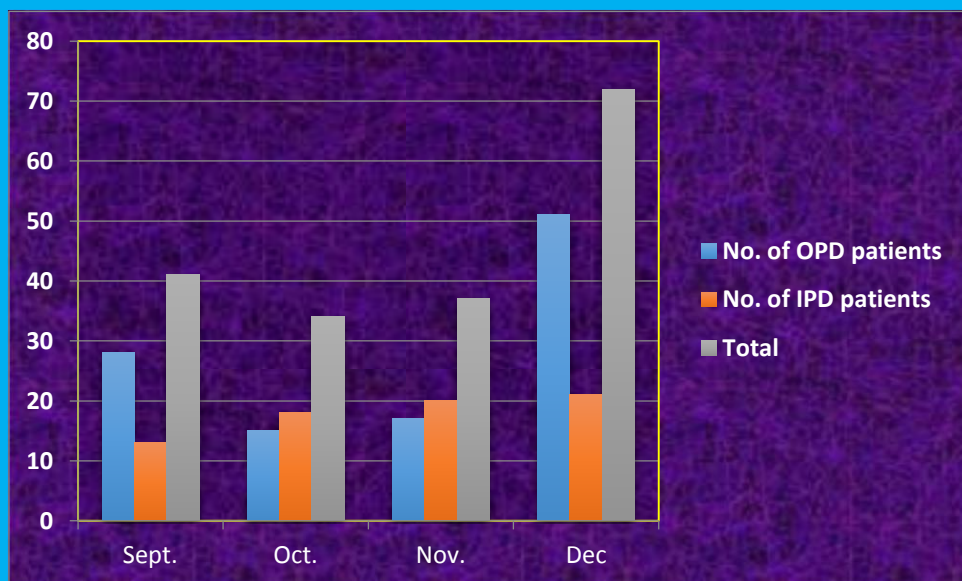

At the end, guests from Friend's Society and student council members, COP, SV sang anthem of Friend's Society "Chalate Chalate..." and danced together. The program was concluded with brunch organized at Porch, COP, SV. All the guests departed by college bus at 1:30 pm. A seminar on "Barrier free environment" was organized in Final year BPT class room for final year BPT and PG students. 1<sup>st</sup> year MPT student Anshuma Chug presented the seminar.
