Report on “Lung Cancer awareness programme”

Date / time	: 2 nd November 2020, 11:00 a.m. to 01.00 p.m.
Venue	: Dhiraj hospital (OPD premises)
Aims and objectives	: to organize awareness regarding lung cancer
Participants / Beneficiaries	: Participants, MSN PG Nursing students
Resource person	: Dr. Prashant Patel (Radiation Oncologist, DGH, Piparia)
Total Beneficiaries	: 45

Lung cancer awareness programme is to educate the people regarding lung cancer, what it is and what happens if one suffers from the lung cancer. Lung cancer occurs due to chronic smoking, radon gases, pollution etc. This programme was organized by Ms. Sonal Patel, HOD of MSN department, Sumandeep Nursing College. We even had exhibition of charts, posters, video exhibition for the people to draw their attention and interest regarding lung cancer.

- The resource person of this seminar was Dr. Prashant Patel, who is a radiologist at Dhiraj hospital, Sumandeep Vidyapeeth. He discussed the importance of lung cancer, its stages, prevention and the treatment.
- The master of ceremony was Rinu Hasmukh Dabhi, PG Student, 1st Year M.Sc Nursing In MSN Department.

This is the beginning of the program, welcoming all, the invitees, students, staffs. A brief discussion regarding awareness of the lung cancer program.

Drawing attention through videos of some true inspirational videos of lung cancer program.

Explaining about the importance of the lungs being protected by various videos by not smoking and being addictive of a chronic smoker may lead to lung cancer.

There was an exhibition of the charts and posters regarding Lung cancer, how to prevent it

Conclusion: Education on Lung Cancer awareness was given to the patients and the students present over there in the program. This was useful and helpful for the students as well as the patients.

- Special thanks- Vote of thanks given by Mr. Sahil Mohammed, student of 1st year M.Sc Nursing.
