Camp at Bahadarpur

A camp was organized by S Dhiraj General hospital at Bahadarpur village from 8th May to 15th May 2014. Consultants from various departments of Dhiraj General hospital (DGH) including Physiotherapy were a part of the camp. From Physiotherapy a faculty alongwith PG students, one from each specialty, were posted for the camp. The camp timings were 10-2 pm. On the first day of the camp, an inaugural ceremony was held with the Medical Superintendent of DGH, The Dean of SBKSMIRC, Dr GV Shah and Dr Chaudhary from Community Medicine Department being present for the inauguration. In total there were five patients who came for Physiotherapy, two stroke patients, one low back pain patient, one OA knee patient and one with adhesive capsulitis.

ACCOLADES

“SwasthBharath – a live phone in program in Doordarshan”

On 17/06/2014, Principal Professor Dr LataParmar and Visiting faculty Dr VirendraShandiliya had the exceptional honor of being invited as the EXPERTS for the program “SwasthBharath – a live phone in program” telecast by Doordarshan – Girnar (Doordarshan’s Gujarat Regional Channel). SwasthBharath is a live phone in program where specific health issues of various disciplines are discussed and viewers the program can ask their questions about the health issue being discussed to the experts through telephone calls and can clarify their doubts. Diabetic foot treatment was the health issue that was discussed and many viewers called in to ask their questions and experts answered them to clarify their doubts.
