C.) ARTICLE I: SCOPE OF THE COLLABORATION

The general purpose of this MOU is to facilitate training and research of Pharmacy students during their course based upon the principles of mutual benefit and may include the following general cooperation areas;

General areas of cooperation

- 2.1 Joint educational and research activities including Evidence Based Pharmacy System,
- 2.2 Exchange of visiting scholars for the purpose of conducting research in Pharmacy. The individual visitors will be responsible for the cost of such as accommodation and own travel etc.
- 2.3 Discussion for the exchange of undergraduate and postgraduate students for collaborative or independent research based on the policies of both institutions,
- 2.4 Extend invitations for attending scholarly and technical meetings as well as National and International conferences,
- 2.5 Neither institution is responsible for any financial support under this MOU. Individual scholars will make all arrangements by written agreement, which will be applicable to each particular situation.

D. ARTICLE II: THE AGREEMENT

- 3.1 At Sumandeep Vidyapeeth, Vadodara, this MOU will be administered by Head, Department of Pharmacy, (University Representative).
 - 3.2 At Dr. B. C. Roy College of Pharmacy & Allied Health Sciences, Durgapur this MOU will be administered by Head, Department of Pharmacy and College Representative.
- The parties may enter into specific written agreements under authority of this MOU to clarify and define the nature, extent and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues.

E. ARTICLE III: GENERAL TERMS

- 4.1 This MOU does not generally permit the exchange of students at the undergraduate or postgraduate level unless otherwise stated herein. Where students are involved directly in the training covered by this MOU, the exchange of graduate and post-doctoral students can be accommodated by specific written agreement contained herein as follows:
- 4.2 This MOU is not intended to, and does not create any right, benefit, or trust responsibility, substantive or procedural, enforceable at law or equity, by either party, its officers, employees, or agents against the other party, its officers, employees, or agents.
- 4.3 Nothing in this MOU obligates either party to commit or transfer any funds, assets, or other resources in support of projects or activities between the parties unless expressly stated in this agreement.
- 4.4 The activities of this MOU must be carried out in accordance with appropriate laws and regulations existing in each country and institution.
- 4.5 With regard to intellectual property, each institution will adhere to the intellectual property laws of its respective nation. Intellectual property developed during the visit of a faculty or student visitor will be governed by the rules of the host institution unless otherwise specified by an alternate agreement. In general, the two institutions shall jointly own jointly developed intellectual property resulting from clearly defined collaborative projects. Whenever one institution receives any information from the partner under a clearly defined non-disclosure agreement, necessary steps will be taken to protect the intellectual property received.
