Letter of Collaboration

The HCG Cancer Hospital in collaboration with Smt. B.K. Shah Medical Institute & Research, (AMC, Department of Pharmacology), Sumandeep Vidyapeeth Deemed to be University had organized state-level CME on "Pharmacovigilance Awareness Generation: Hands-on technique to fill the ADR forms" dated 09-03-2022 at HCG Cancer Centre, Vadodara, Gujarat. We are glad to inform you that the purpose of this CME for sensitization of participants for Adverse Drug Reactions & the importance of its reporting is achieved. We are looking forward to such collaboration in the future too. Thank you once again for your support organizing as well as providing the resource faculty.
