patients with different types of diseases and anomalies. The Institution also has well equipped Dental, Ayurved, Homoeopathy and Physiotherapy Hospital.

State of the Art Central Research Laboratory:

The Institution has state of the art Central Research Laboratory to facilitate research in the areas of Basic Molecular, Genetics, Translational and Cell culture, and has highly qualified and experienced researchers. The Laboratory has high end modern equipment like - RTPCR, PCR, FTIR, HPLC, UV-Visible Spectrophotometer, Nano-spectrophotometer, Inverted fluorescence microscope, CO2 Incubator, Biosafety Cabinet, Western Blotting, Thermo-shaker, Gel Electrophoresis and Gel documentation, Freeze dryer, Vacuum Oven, Brookfield Viscometer, Rotary evaporator with chiller and vacuum pump, High Speed Centrifuge, High Speed Homogenizer, Refrigerated Centrifuge, Stability Chamber, Photostability Chamber, Deep Freezer (-20 & -80°C), Dissolution test apparatus, Rotary Tablet Machine, Franz Diffusion Cell Apparatus, BioPak, Melting point apparatus, Trinocular Microscope, Rotary Tome Microscope, Student's Physiograph, Paleothermometer, Moisture Balance, Sensitive Balance and Precision balance, etc. are available.

About AAEC:

Allergy Asthma ENT Clinic (AAEC) has been a pioneer in establishing the first organized clinic dedicated to the science of Allergy & Immunology in Karnataka. It was established on the auspicious day of Vijayadashami, Aashvayuja maasa, 10th October 1978. Since its inception, under the leadership of Dr. Pendakur Anand, AAEC has been pursuing **Clinical studies, collaborating to do research on clinical allergy and related aerobiology, updating colleagues on the emerging specialty, organizing seminars and conferences.**

Phenomenal growth in the contribution by AAEC to the science of allergy commenced in 2016 when the first **'Advanced Course on Diagnosis of Allergy & Immunotherapy'** was conducted in Bangalore. This national level physician training course provided the much needed training and certification of specialist medical doctors in the practice of clinical allergy & applied immunology. This pioneering and innovative initiative commenced in collaboration with Vydehi Institute of Medical Sciences & Research Centre, Bangalore, a reputed teaching institute. Since then every year, AAEC has been successfully conducting this course. Until now more than 350 specialist doctors have graduated and there is at least one certified allergy specialist in every state and union territory of India; and a very few in Nepal, UAE, Bangladesh, Sri Lanka, Maldives, Mauritius, Iraq and Nigeria.

2. Scope of the Collaboration:

The present MoU will be jointly conducted between SVDU and AAEC with defined areas, which shall
