Sub : Placement of physiotherapy Interns in Sunday School.

Dear Madam,

Friends Society is a voluntary youth organization, primarily of students from by M.S. University , Baroda. Friends Society is catering to the needy and deprived segments of society for more than 46 years through about a dozen service projects which cover the handicapped children & adults, poor patients attending to Govt. hospitals, slum dwelliers, school children and university youth. Dedicated volunteers of Friends Society work in their leisure time without compromising with their studies. Attached copy of our bulletin 'Involve' will give you more idea about our organization.

One of our activities "Sunday School" operates on every Sunday from 9:00 a.m. to 1:00 p.m. This is a 'School' with difference, where in children with special needs are collected from their homes on Sundays in Baroda city and are given different exposures like physiotherapy, art therapy , music therapy and vocational activities. Currently we cater to 33 children with physical handicap or/and mental retardation due to various causes. We also arrange for medical and educational help of these children through our field worker which includes surgery, fitting of appliances etc. In short, we try our level best for their over all rehabilitation.

The Sumandeep Vidyapeeth institutes like Dental college, Dhiraj hospital and your esteemed institute help us to help these children. We now appeal to you to depute atleast 2 physiotherapy interns on every Sunday from 10:00 a.m. to 12:00 p.m. (2 hours) in our Sunday School. They can help us in assessing the needs of these children, give them physiotherapy, teach simple physiotherapy methods their parents/siblings and also monitor their progress.

We trust that such an arrangement will be mutually beneficial. Our beneficiaries will benefit on one hand while your interns will get field exposure with hands on training in rehabilitation of children with special needs.

We will be happy if you agree to our request. We shall be happy to provide further information/clarification, if required.

Thanking you,

CC: Registrar, Sumandeep Vidyapeeth,

Yours truly,
Sagar
